TECHNOVA HACKATHON'26

PARTICIPATION GUIDELINES

1.Event Synopsis

Welcome to the 24-Hour Hackathon, a platform designed to foster innovation, creativity, collaboration, and problem-solving. This event provides participants with an opportunity to transform ideas into impactful technological solutions while interacting with peers, mentors, academicians, and industry experts.

2.Participation Criteria

- ❖ The hackathon is open to undergraduate and postgraduate students.
- ❖ Teams must complete registration before the specified deadline.
- ❖ Each team shall consist of a minimum of 2 and a maximum of 4 members.
- ❖ Only shortlisted teams will be eligible to participate in the final hackathon.
- ❖ Participants must carry a valid College ID card throughout the event.

3.Team Composition

- ❖ Teams may consist of students from the same or different institutions.
- ❖ Interdisciplinary teams are highly encouraged.
- ❖ Team registration must be completed through the official registration process.
- ❖ Each participant can be a member of only one team.

4. Event Structure

- ❖ The event will be conducted as a single-round, 24-hour hackathon.
- ❖ The hackathon will commence and conclude as per the official schedule.
- ❖ Teams are expected to actively participate throughout the event duration.
- ❖ Mentors and organizers will be available to provide guidance and support during the hackathon.

5.Theme

The theme of the hackathon is “**Technology for Sustainable Society: Frugal Innovations for a Better Future**”. The problem statement is open- ended, allowing participants to choose their own. The hackathon aims to inspire participants to develop innovative, affordable, and sustainable technological solutions that address real-world societal challenges. Teams are encouraged to leverage technology to create meaningful impact while promoting environmental responsibility, social well-being, and inclusive growth.

6.Development Guidelines

- ❖ Participants are free to use any programming language, framework, tool, or platform.
- ❖ Open-source libraries and publicly available resources are permitted.
- ❖ All work submitted must be the original effort of the participating team.
- ❖ Plagiarism, unauthorized copying, or submission of previously developed projects is strictly prohibited.
- ❖ Teams must adhere to ethical and professional standards throughout the event.

7. Submission Requirements

Final project submission must include:

- ❖ Source code repository link (GitHub or equivalent platform)
- ❖ Demo video (maximum duration: 3 minutes)
- ❖ Brief project description
- ❖ Team details and contact information

All submissions must be completed before the announced deadline. Late submissions will not be considered for evaluation.

8.Mentorship and Support

- ❖ Mentors will be available throughout the hackathon to provide technical guidance and domain-specific insights.
- ❖ Teams are encouraged to seek feedback and clarification whenever required.
- ❖ Mentors will facilitate learning and problem-solving but will not directly contribute to project development.
- ❖ The organizers will provide necessary support to ensure the smooth conduct of the event.

9. Evaluation Parameters

Projects will be evaluated based on:

- ❖ **Scalability & Sustainability**
- ❖ **Frugal Innovation**
- ❖ **Innovation and Creativity**
- ❖ **Technical Excellence**
- ❖ **Functionality and Feasibility**
- ❖ **Impact and Scalability**
- ❖ **User Experience and Presentation**

The decision of the judges shall be final and binding.

10. Professional Conduct

Participants are expected to:

- ❖ **Maintain professionalism and mutual respect.**
- ❖ **Foster a collaborative and inclusive environment.**
- ❖ **Respect fellow participants, mentors, judges, and organizers.**
- ❖ **Refrain from misconduct, harassment, cheating, or unfair practices.**

Violation of these guidelines may result in immediate disqualification.
